PROTECT YOUR HOME & BELONGINGS WITH A

WEATHER PROOFUK

FIBRE GLASS FLAT ROOFING SYSTEM

Weatherproof UK is a family run company that have been trading for over 20 years. We pride ourselves on our customer care and high quality workmanship. Operating nationwide our teams of experienced installers will provide you with a weatherproof roof that will give you peace of mind for 40 years GUARANTEED!

Our flat roof system is a seamless cost effective superior replacement for traditional roofing material such as bitumen, felt and lead. Your new flat roof is normally fitted within a day with all waste materials removed immediately, giving you a disruption free installation.

The Weatherproof system is highly durable and will withstand the hardest of weather conditions. Being maintenance free your new roof will enhance the appearance and value of your property the cost effective flat roof solution.

FIBRE GLASS FLAT ROOFING SYSTEM

COMMERCIAL

With Weatherproofs Valley and Box Gutter System, compared with replacement the cost savings are substantial. Our systems can be custom made to suit any shape and size gutter. With this seamless and no disruption system, its clear why so many companies use this method.

Customers include:

TESCO *Butlin's*

Mercedes-Benz

York House
FOODS

TULIP

BAKKAVÖR

DVC
LOGISTICS Evolved™

THE JORDANS
& RYVITA COMPANY LTD

DESIGN & BUILD

We also give a design, build and advice service and carry out works for many large construction companies, architects and councils.

This allows them to design and specify each roof individually. In some cases adding extra Insulation, Roof Lights, Valley Gutters and even an imitation Lead Roll Affect Roof.
